

# Man of the Ages

Revelation 13:17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

13:18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

1 John 4:3 And every spirit that confesseth not that Yahshua Messiah is come in the flesh is not of Elohim: and this is that spirit of antimessiah, whereof ye have heard that it should come and even now already is it in the world.

Ah yes. These three verses stir up all kinds of reactions ranging from wonderment to fear. Resulting in many questions pondered and speculative answers offered... And all of them wrong.

Comprehension skills. To fully and correctly, comprehend these three verses, they need to be broken up, dissected and re-examined. Let's start with the last one first.

1 John 4:3 And every **spirit** that confesseth not that Yahshua Messiah **is come** in the flesh is not of Elohim: and this is that **spirit** of antimessiah, whereof ye have heard that it should come and even **now already** is it in the world.

This verse makes no mention of a man has yet to appear on the scene that is now referred to as the 'anti-christ', but a spirit. This 'spirit' is not some demonic entity spreading havoc on mankind. So what is it then?

It is an ideology. A belief system. Even a religion. A person can be a 'spirited individual'. A group of students showing pride in their high school could be exhibiting 'school spirit' at a pep rally. 1 John 4:3 speaks with remarkable precision. It does not describe a single political ruler, nor does it point to a future man waiting to rise upon the world stage. Instead, the text identifies a **spirit**—a mindset, a current of thought already active in the world at the time of the apostles. The emphasis is not on a person but on an influence. The passage states that any spirit refusing to acknowledge that YAHSHUA MESSIAH has come in the flesh is not of ELOHIM. This reveals that the issue is doctrinal and ideological rather than purely physical. A "spirit" in Scripture often refers to an orientation of mind,

(Click to continue)

a guiding principle, or a prevailing belief system. Just as individuals can be described as “spirited,” or a crowd can display “school spirit,” the term points to a collective way of thinking that shapes behavior and identity.

Therefore, the spirit of antimessiah is not portrayed as a horned adversary or a single future tyrant. It is a counterfeit framework of belief—a system that redefines or replaces the true identity and message of YAHSHUA. It works through teachings, traditions, and ideologies that subtly alter the understanding of who He is and what He represents. This makes it far more pervasive than a lone figure, because it can exist anywhere ideas are formed and doctrines are taught.

Such a spirit can manifest through religious institutions, philosophical movements, or cultural narratives that detach the Messiah from His true context. Rather than open rebellion, it often operates through imitation—appearing righteous while shifting focus away from the original testimony. In this way, the antimessiah spirit is less about chaos and more about substitution: a likeness that resembles truth yet leads in another direction. Understanding the verse this way moves the discussion away from speculation about a future villain and toward discernment in the present. The warning becomes immediate and practical: examine teachings, examine doctrines, and test the spirit behind every message. The real battleground is not merely political or supernatural—it is intellectual and spiritual, rooted in ideas that shape how people perceive the Messiah and the nature of ELOHIM’s revelation.

John 1:14 declares, *“And the Word was made flesh, and dwelt among us.”* This statement reaches far beyond a simple biographical detail. The Word is not presented as a new invention detached from what came before, but as the living embodiment of everything spoken through the Torah, the Prophets, and the Writings—the Tanack itself expressed in human form. YAHSHUA does not replace the Scriptures; He **epitomizes** them. What had been written in shadows, similitudes, and prophetic language becomes visible, tangible, and fully revealed.

When the text says the Word became flesh, it points to continuity rather than contradiction. The same voice that spoke through Moses, the prophets, and the psalms now walks among humanity. This means the Tanack is not a relic left behind but the very foundation through which His identity is understood. To separate Him from that foundation is to misunderstand the nature of the Word made flesh.

This connects directly with John 5:39, where YAHSHUA says, *“Search the scriptures; for in them ye think ye have eternal life: and they are they which testify of me.”* At the time those words were spoken, the only Scriptures available were the Tanack. His statement reveals that the testimony concerning Him was already present long before His physical appearance. The prophets spoke in similitudes, visions, and patterns that pointed forward to a living fulfillment.

Together, these passages establish a powerful principle: the Messiah is not an isolated figure introduced in a later doctrine, but the living expression of what had always been written. The Tanack is the blueprint; the fleshly appearance of YAHSHUA is the unveiling. To deny this unity is to break the continuity of Scripture itself, creating a version of faith disconnected from its original source. But when seen correctly, the written Word and the living Word stand as one continuous testimony—ELOHIM revealing His purpose through both text and life.

HE was, and is, the 'word made flesh.' The 'word' being the scriptures. So, if to be antiMessiah, or anti-christ as commonly referred to; it would be anti-word. AKA, false teaching, doctrine. And this false doctrine is not something that is to come. It has been here since New Testament times. "...and this is that **spirit** of antimessiah, whereof ye have heard that it should come and even **now already** is it in the world."

**This 'antichrist' is not a man at all! This is a lie that has been taught to you by the 'Learned Ones'!**

Now that that is straightened out, onto Revelation 13, verses 17 and 18.

Revelation 13:17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

13:18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

I'll put this out front now. I became disillusioned, (disgusted) with politics years ago. I took my name off the voting roles. I do not have a dog in this hunt. So, let the chips fall where they may.

First off, verse 18 says to 'count the number of the beast'. NOT the man. The name of the man is associated with the beast but the man is not the focus. The beast is. (Note: This beast is the second beast that is likened unto the first. A world power/religious entity.)

Erroneously, many have mistakenly concluded that the number 666 is associated with the Catholic Church and the Pope. The problem with that assumption is the Catholic Church was the first beast, not the second. Second, the number 666 is the Roman gematria value for 'Vicarius Filii Dei'. Historically meaning 'Vicar of God'. But this unofficial title is not a man's name. It does however, denote the position of the title and the seat of power for the title. So, the next trick is to discover what and where the second is. And what man, by using his name, is associated with the second beast.

(Click to continue)

To do this, we will use the original mark of the first beast, the Catholic Church as a guide, a pointer to the second beast. But what is the original mark? The Catholic Church does not hide the fact that their mark is Sunday worship.

CATHOLIC RECORD OF LONDON, ONTARIO;

September 1, 1923. 'Sunday is our **mark** of authority. The Church is above the Bible, and this transference of the Sabbath is proof of that fact.'

H.F. THOMAS, CHANCELLOR OF CARDINAL GIBBONS

'Of course, the Catholic Church claims that the change, Saturday Sabbath to Sunday, was her act. And that act is a **mark** of her ecclesiastical authority in religious things.'

Revelation 13:12. And he exerciseth all the **power** of the first beast before him and causeth the earth and all them which dwell therein to worship the first beast whose deadly head wound was healed.

There's a hidden nuance associated with the first beast in this verse. The first beast was a world power. It had a power base. The Catholic Church of today does not have this. But before times, it did. In the year 538, the Emperor of Rome, Justinian, turned over all legal and civil authority

(Click to Continue)

To Pope Virgilius, thus creating the 'Holy Roman Empire.' The beginning of the first beast. 1,260 years later, the first beast came to an end when in 1798, Napoleon had Pope Pious VI arrested. In effect, the 'head' of the Church, the first beast, was cut off, the deadly head wound written of in Revelation. So, now we look for a new Theocratic world power of today that aligns within the parameters found in Revelation 13:18. And it will be using the power of the first beast, or its mark, the Sunday Sabbath. But there is none... As of this writing, yet.

The second beast will be a theocratic power identified by its association with a man. This is what confuses people. The number 666 is NOT of the man. It is of the beast in conjunction with the man. The man's name becomes an identifier. Whether he be a Republican or Democrat. And there is one man who is poised for this position.

On February 5<sup>th</sup>, 2026, President Donald Trump stated at the National Prayer Breakfast, 'I have done more for religion than any other President.' It is not a stretch to imagine him declaring Sunday as the National Day of Worship some time during his reign in office. Hear the roar now. 'That's against separation of Church and State!' (Not in the constitution) Actually, no, it is not. The first amendment only states that the Federal Government cannot sanction any one 'established' religion over another one. It cannot state that the Southern Baptist, Pentecostal, Catholicism or Presbyterian is the official religion of the United States. But by Presidential Executive Order,

(Click to continue)

Declaring Sunday as the National Day of Worship, he will have included all major 'established' Christian Churches. Not singling out any particular one. And there is a hidden reason it will be by Executive Order. (It's not what you think.) When this event occurs it will herald the rise of the second beast and the start of the emphasis 'Mark of the Beast' from which, there will be no turning back.

The number 666 of the Roman gematria value for 'Vicarius Filii Dei' is derived from the language of ancient Rome, Latin and the Roman gematria system of assigning numerical value to the Roman alphabet. If this this number is to be associated with Donald Trump we will use the English language as a standard. Hence we will use the system called, '**Simple English Gematria**'. In using this system, A=1, B=2, C=3 all the way to Z=26. We will also be using the power of the authority as assigned in the Federal system.

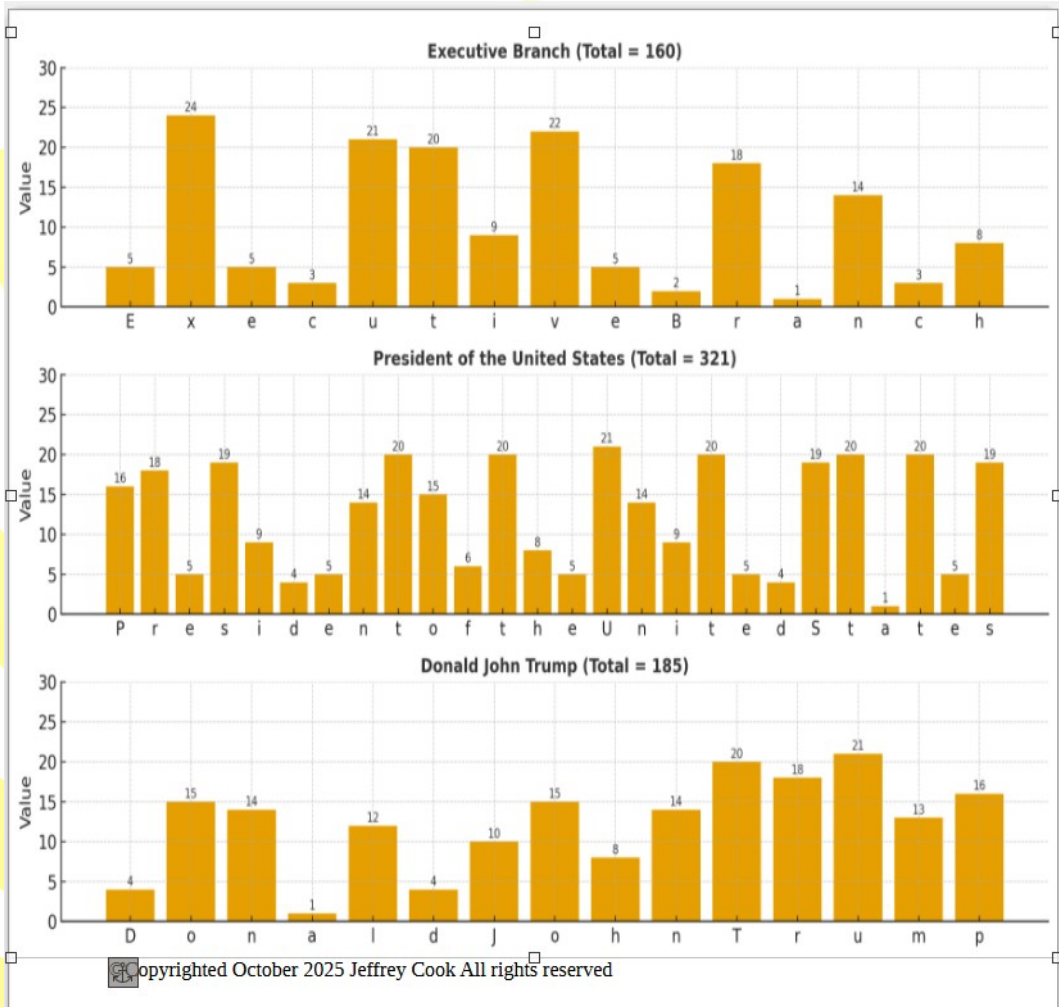

Executive Branch = 160

President of the United States = 321

Donald John Trump = 185

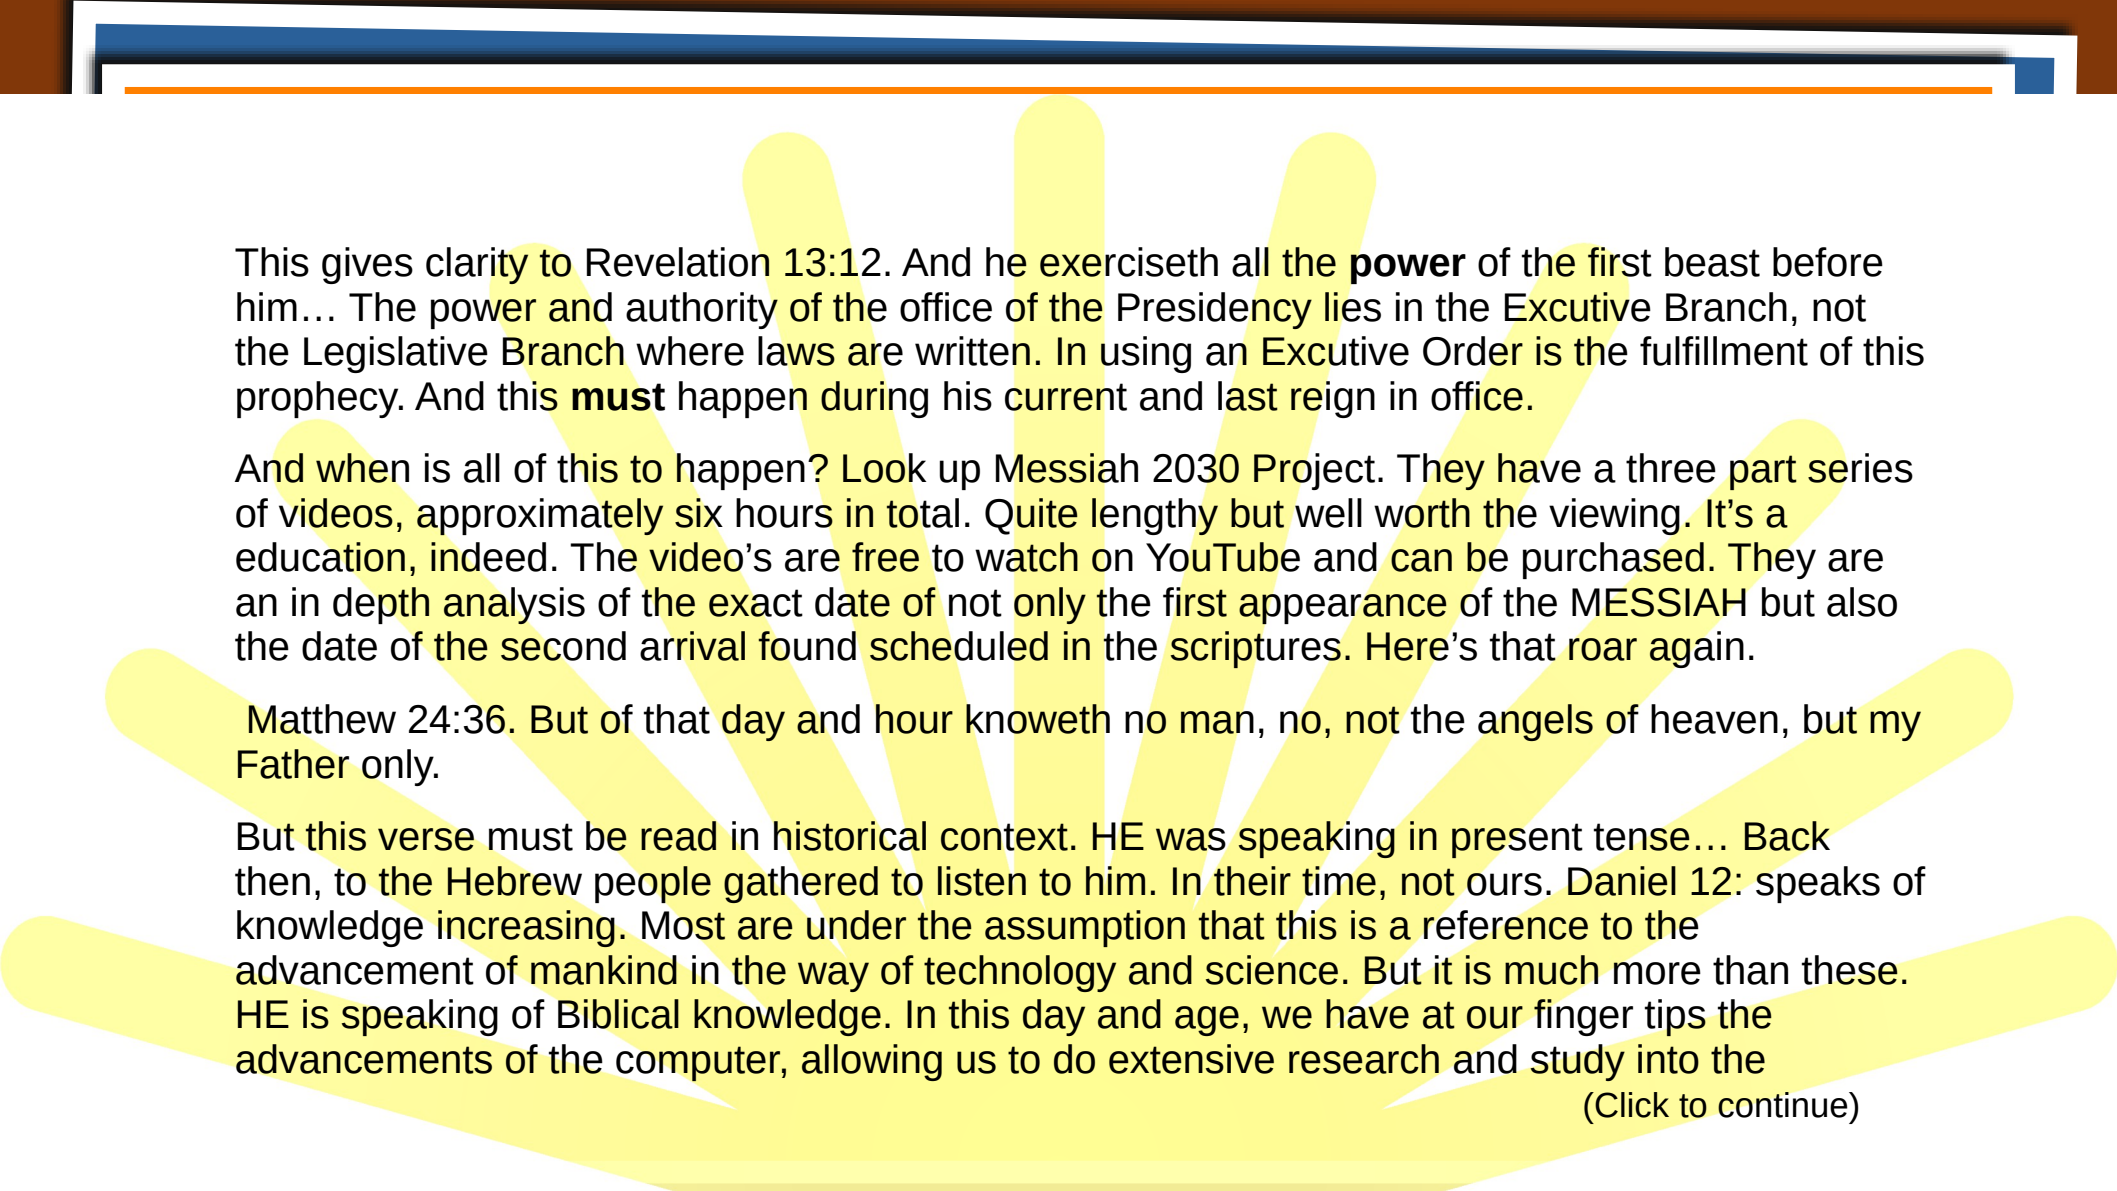

Total combined Value = 666

This gives clarity to Revelation 13:12. And he exerciseth all the **power** of the first beast before him... The power and authority of the office of the Presidency lies in the Executive Branch, not the Legislative Branch where laws are written. In using an Executive Order is the fulfillment of this prophecy. And this **must** happen during his current and last reign in office.

And when is all of this to happen? Look up Messiah 2030 Project. They have a three part series of videos, approximately six hours in total. Quite lengthy but well worth the viewing. It's a education, indeed. The video's are free to watch on YouTube and can be purchased. They are an in depth analysis of the exact date of not only the first appearance of the MESSIAH but also the date of the second arrival found scheduled in the scriptures. Here's that roar again.

Matthew 24:36. But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only.

But this verse must be read in historical context. HE was speaking in present tense... Back then, to the Hebrew people gathered to listen to him. In their time, not ours. Daniel 12: speaks of knowledge increasing. Most are under the assumption that this is a reference to the advancement of mankind in the way of technology and science. But it is much more than these. HE is speaking of Biblical knowledge. In this day and age, we have at our finger tips the advancements of the computer, allowing us to do extensive research and study into the

Scriptures. The Messiah 2030 Project gives compelling evidence that HIS second coming will be on September 28<sup>th</sup>, 2030. Prior to this will be the death of the two witnesses.

Revelation 11:3&4. And I will give power unto my two witnesses, and they shall prophecy a thousand two hundred and threescore days, clothed in sack cloth. These are the two olive trees and the two candlesticks standing before the Elohim of the earth.

And verse 7&8. And when they have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and kill them. And their dead bodies shall lie in the street of the great city , which spiritually is called Sodom and Egypt, where also our Master was impaled.

And verse 9, ...nations shall see their dead bodies three days and an half...

There has been much conjecture on who these two witnesses will be. Yet, verse four tells exactly who they are. The two olive trees and the two candlesticks obviously are similitudes, symbolic clues. First, the two candlesticks. Revelation 1:20 provides a crystal clear answer.

Revelation 1:20. The mystery of the seven stars which thou sawest in my right hand and the seven golden candlesticks. The seven stars are the angels of the seven assemblies: and the seven candlesticks which thou sawest are the seven assemblies.

(Click to continue)

These two candlesticks are two Churches.

The two olive trees. In Romans, chapter 11, verses 13 through 24 speaks of the grafting in of believers into YAWHEH's fold by way of HIS doctrine. Keep in mind as you read this and the words in Romans that the grafted in branch is always subject to the host tree. Using the olive trees symbolically, as similitudes, they represent the human race. The cultivated tree being Messianic Jews who have accepted the sacrifice of the MESSIAH for their salvation. The wild branch from another tree is representative of the gentiles that have also repented and placed themselves under YAHWEH's rule. And here's the two olive trees.

Romans 11:24. For if thou wert cut out of the olive tree which is wild by nature into a good olive tree: how much more shall these which be the natural branches, be grafted into their own tree?

**A second tree!** And the significance of this second tree has been overlooked for generations.

Combining the teaching found in Revelation 11 of the two candlesticks and the two olive trees, they are two Churches. One is made up of Messianic Jews, and the other, Messianic Gentiles. These two Churches are the two witnesses. And that grafted in branch, the gentiles will not be allowed to bring along its 'traditions of men.' Like an Arborist, the YAHWEH will inspect the wild branch, looking for imperfections and diseases. If HE finds any, the wild branch will be rejected and tossed into the fire. But how are the two witnesses to be 'killed' off, left to lay in the streets for three and one half days?

(Click to continue)

This 'killing' will take place on September 25<sup>th</sup>, 2030. By then, Donald Trump's final term in office will have come to an end. Someone else will be President. And whether it be by law that was voted on by Congress or by Executive Order, on September 25<sup>th</sup>, the 501c3 tax exempt status for any congregation, Institution or organization will be removed. Effectively killing the two Churches, stripping them of any legal standing or civil authority such as even for a Church leader to perform a marriage. Blatantly unconstitutional, but it only has to stand for three and one half days. It could take a week or more before the Supreme Court would even hear arguments of the case. And at the end of the three and one half days?

Revelation 11:11&12. And after three days and an half the Spirit of life from ELOHIM entered into them, and they stood upon their feet: and great fear fell upon them which saw them. And they heard a great voice from heaven saying unto them, Come up hither. And they ascended up to heaven in a cloud and their enemies beheld them. This ascension is the transfiguration!

1 Thessalonians 4:17. Then we which are alive and remain shall be caught up together with them in the clouds to meet the Master in the air and so shall we ever be with the Master.

There is more. The events and timeline of the three and one half days reveal something else, but hidden.

Matthew 24:36. But of that day and hour knoweth no man, no, not the angels of heaven but my Father only.

(Click to continue)

The Messiah 2030 series reveals the day of HIS return. Now for the exact hour.

Mark 15:25. And it was the third hour, and they impaled him.

Mark 15:34. And at the ninth hour Yahshua cried with a loud voice saying, ELOI, ELOI. LAMA SABACHTHANI? Which is being interpreted, MY EL, MY EL. WHY HAST THOU FORSAKEN ME?

During New Testament times, there was no international dateline. No time zones to reset your watch to every Spring and Autumn... And no watches. No Timex, Bulova or a Rolex. But there was always the sundial. And no twenty-fours in the day. It was only twelve hours of day light. Depending on the season of the year, the hours would be longer or shorter. The first hour of the day would be today's 6-7 am. The second hour, 7-8 am, and so on. The night hours were considered under a different metric system.

So, HE was impaled, (crucified) at 9 am. At 3 pm., HE died. Then HE was laid in the tomb for three and one half days. But this half day was only six hours.

The one verse that ties this all together, that has not misunderstood, but missed entirely.

Acts 1:11. Which also said, Ye men of Galilee, why stand ye gazing up into heaven?

(Click to continue)

This same Yahshua, which is taken up from you into heaven, shall so come in like manner as you have seen him go into heaven.

HIS death is the preview of HIS return! The revoking of the 501c3 status will commence at 3 pm. on Wednesday, September 25<sup>th</sup>, 2030, marking the 'killing' of the two witnesses. The MESSIAH was crucified on Passover, a Wednesday, at 9am, died 3 pm. HE laid in the tomb for three and one half biblical days, the same amount of time that the two witnesses will not be buried, but lay in the streets. On the ninth hour, 3 pm, HE died. Three and one half biblical days later, 8-9 pm, HE rose from the grave. On September 28<sup>th</sup>, 2030, at 9 pm, HE returns, calling up the two witnesses, the transfiguration. This also marks HIS return. Three and one half days after the 'death' of the two witnesses. As HE left, so, HE returns. This will include not only the organized Messianic Churches, but the small handful of those who meet at someone's home. Or even isolated individuals that have no one to share their faith with. Not being buried? The two witnesses are not individuals but Churches so there will be no bodies TO bury. And what about the fire coming out of the mouths of the two witnesses?

And if any man will hurt them, fire proceedth out of their mouth and devoureth their enemies and if any man will hurt them, he must in this manner be killed.

Jeremiah 5:14. Wherefore thus saith Yahweh Elohim of Hosts, Because ye speak this word, behold, I will make my words in thy mouth fire, and the people wood, and it shall devour them.

There's the use of similitudes again. Just as the three and one half days of the witnesses laying in the streets being a preview, so is the 1,260 days given unto the witnesses.

Revelation 11:3. And I will give power unto my two witnesses and they shall prophesy a thousand two hundred and threescore days clothed in sackcloth.

(Click to continue)

For three and one half years, the saints will undergo verbal attacks, possibly even physical violence. Yet the rhetoric thrown at them will be readily rebuffed. YAHWEH, as promised will bring to mind HIS words to HIS witnesses. They will defeat the assaults convincingly. So, no, it will not be like a throw back to a black and white Godzilla movie with actual fire coming out of their mouths.

Counting back 1,260 days, or 3 ½ biblical years from when the revocation of the 501c3 exemption status we arrive at April 14<sup>th</sup>, 2027 when President Donald Trump signs the Executive Order making Sunday the National Day of Worship. The date marking the rise of the second beast and the start of it's 'Mark.' Thus begins the persecution of the Saints that refuse to go along with Sunday worship and the other traditions associated with ancient Greek and Roman Mythology such as, Christmas, Easter and so many other seemingly harmless 'traditions of men'.

Mark 7:8 ...ye hold the tradition of men...

Mark 7:9. And he said unto them, Full well ye reject the commandments of Elohim that ye may keep your own tradition.

And of those who didn't take the mark but were not followers of the MESSIAH? It will be those who turn swords into plowshares. Spears into pruning hooks, led and taught by the transfigured saints.
